Description of the Event

1. Training 4 All (T4All) is a capacity building activity organized by the Portuguese Medical Students' International Committee (ANEM-Portugal) every year. This activity focuses on the development of interdisciplinary competences as well as on the discussion and training in specific fields of the students' interest, through non-formal education methods. T4All's goal is to increase the impact of the Federation, help it engage

more members and develop its work on strategic priorities that are its focus.

2. T4All is a Sub-Regional Training (SRT), recognized by IFMSA (International Federation of Medical Students' Associations), welcoming students from all over the world, both as participants and as trainers.
3. T4All's edition for 2019 will host 5 (five) different training sessions, namely:
 - a. Advocacy in Medical Education Training (AMET);
 - b. Professional and Research Exchange Training (PRET);
 - c. Public Health Leadership Training (PHLT);
 - d. Basic Engagement in Advocacy for SOGI Training (B.E.A.S.T.);
